Teaching

Assistant Teaching

Machine Learning and Large Scale Data Analysis, Department of Computer Science, University of Chicago, Chicago, IL, USA

03/2019 - 06/2019

With Prof. Yali Amit.
Wrote supplementary course material and held weekly lab sessions.

Selected review: "Ben was incredibly patient during office hours and always responsive to student questions. In addition, he often presented demos during office hours or showed easier ways to handle the homework assignments; both were very helpful."
